**Please take note of the required documents and information provided on the reverse!**

**You must submit the following documents:**

- Letter of recognition from the responsible examination office or examination board if you would like to request admission to a more advanced subject semester
- Confirmation of acceptance for studies if you are requesting admission to a subject with admission restrictions

**Only if you are requesting admission to a double degree course at bachelor's/master's level**

- Transcript of records with total number of previously attained credit points and provisional overall mark (max. 30 credit points still required for completion of degree; for an 8-semester bachelor's degree max. 40 credit points still required for completion of degree)

**Please note:**

If your start of studies in your future second degree course could change your affiliation to a faculty and you would like this to happen, please inform the Students' Registration Office in a separate notification (in no specified form).
